## Spring 2017 Workshops

The Spring 2017 Workshop schedule for Faculty, Staff, and Graduate Students has been published. We are offering a range of workshops to support and engage student learning. Visit [Faculty, Staff, and Graduate Student Workshops](#) for detailed information on the workshops being offered and to register. Be sure to visit often as we are planning to offer a few additional workshops that have not yet been finalized for the spring.

### Upcoming February Workshops
