COVID-19 Updates for health applications

- For medical students:
  - MCAT Coronavirus FAQ page
  - AAMC Services (for MD) Coronavirus page
  - AACOMAS (for DO): click on the Coronavirus updates link on this page
  - TMDSAS (Texas Medical & Dental Schools Application Service) - no updates as of 3/20/2020, but check back here

- For dental students:
  - DAT - see 'Important Updates...' section
  - AADSAS: click on the Coronavirus updates link on this page
  - TMDSAS (Texas Medical & Dental Schools Application Service) - no updates as of 3/20/2020, but check back here

- For veterinary students
  - AAVMC COVID-19 Student and Applicant Information (Links to an external site.)

- For physician assistant students
  - PAEA Coronavirus Resources

- OAT Exam
  - All Prometric testing centers where the Optometry Admission Test (OAT) Exam is given are closed in the US and Canada. Candidates may continue to schedule appointments. Prometric will be monitoring the situation closely, and will provide updates accordingly. More information can be found at https://www.ada.org/en/oat.

- OptomCAS
  - OptomCAS plans to continue to process your application without any interruption. Additional information for applicants can be found at https://help.liaisonedu.com/COVID-19.

- Deadlines
  - Many optometry schools/colleges have made changes to their application requirements and deadlines in light of current circumstances. For specific details about any changes in deadlines or application requirements, please see the web page for the individual schools/colleges. For questions about decisions, delay in standardized exam scores, transcripts, etc., please contact the optometry school/college directly.

Useful and changing site for looking at P/NC acceptance of courses by medical schools. This should be checked frequently and is kindly provided by Case Western Reserve School of Medicine: we’ve created this Google Sheet for medical schools to indicate their plans regarding P/NP coursework.

For routine information please see the ALAC, PreHealth advising page: https://info.rpi.edu/advising-learning-assistance/advising/#PreMedicalandPreHealthAdvising.
