Employment Verification I-9

The Student Employment office has been informed of your upcoming student employment at Rensselaer. Rensselaer is required to complete Form I-9 for each individual that is hired for employment. This includes citizens and noncitizens. There is a portion of the form for students to complete, and a portion that Rensselaer as the employer must complete. Part of this process includes presenting us with acceptable documents evidencing your identity and employment authorization. **You may not begin working until your I-9 verification process is completed.**

Students who are on campus must meet with a Student Liaison or make an appointment with the Payroll Office. Since most students are not on campus this semester, and unable to meet with a Student Liaison on campus, you will need to identify an "Authorized Agent" who will be able to review your I-9 personal documents for input into Equifax (the online I-9 verification system used by the Institute.). The person will then be responsible for meeting with you, in person, to view your documents. We will then coordinate with that agent to have them go online to complete the section of the I-9 verifying they met with you in person and viewed the appropriate documentation.

Please complete the steps below to start the process of verifying your eligibility for employment.

1. Please identify an "Authorized agent." An authorized agent can be any person you trust (non-relative, non-household member) such as a *previous employer, bank teller, insurance agent, notary public, guidance counselor, teacher, etc.*)

NOTE: The agent has to be willing to complete and sign Form I-9 and is liable for any violations in connection with the form or the verification process, including any violations of the employer sanctions laws committed by the person designated.

2. Fill out your portion of Form I-9 at the link below:
<https://secure.i9.talx.com/preauthenticated/LoginCaptcha.ascx?Employer=21010&Location=STUDENT>.
3. **MAINTAIN THE RECEIPT CODE** presented at completion. The receipt code is very important, as the Authorized Agents will use the code to access section 2 of the I-9.

4. Send an email to Payroll (payroll@rpi.edu) with the receipt code and contact information for your “Authorized Agent.” The Student Employment Manager reach out to the Authorized Agent to guide them through the completion process of section two and set them up with a login to record their verification in the online I-9 application.

Please note: Rensselaer will not pay student workers to perform work while residing abroad.

RCS (Rensselaer Computing System) Account

You will use your RCS Account to access the campus network including email, printers, Internet, and RPI LMS (Learning Management System). Please note that Rensselaer uses your RCS for email and not personal email addresses for all communications and coursework. Please attend to this immediately so that we can contact you with orientation and other programming information that you may need prior to arrival. We suggest you start checking your RCS email address as soon as you have it set up.

To retrieve your RCS User ID and activate your RCS Account, including your RPI email, send an email to helpdesk@rpi.edu with a subject line of: Requesting RCS Account and in the body of the email please include: your full name and RIN.
