

Health Center Requirements for New Rensselaer Students

There are three main steps toward fulfilling all health center requirements for incoming new students:

1. Pre-entrance Immunization Form
2. On-line Portal Forms
3. On-line Education Programs (first-year and transfer students ONLY)

Scroll through these slides for an overview of Health Center requirements.

More details at: <https://studenthealth.rpi.edu/resources#ForNewStudents>

1. **Complete Immunization Form** – download from Health Center website
 - **Doctor's office should sign this form certifying immunization record**
 - **Use completed form to enter immunization dates on portal form (next step)**

Rensselaer Student Health Center Pre-entrance Immunization Form 2019-2020

Student Information Section – Completed by Student:

Last/family Name	First Name	Middle Initial	Gender	Date of Birth (mm/dd/yyyy)
Student Cell Phone #	Student Email (for contacting about this form)		RIN# (Rensselaer ID#)	

Must be completed by a healthcare professional, in its entirety, in English, prior to Registration.

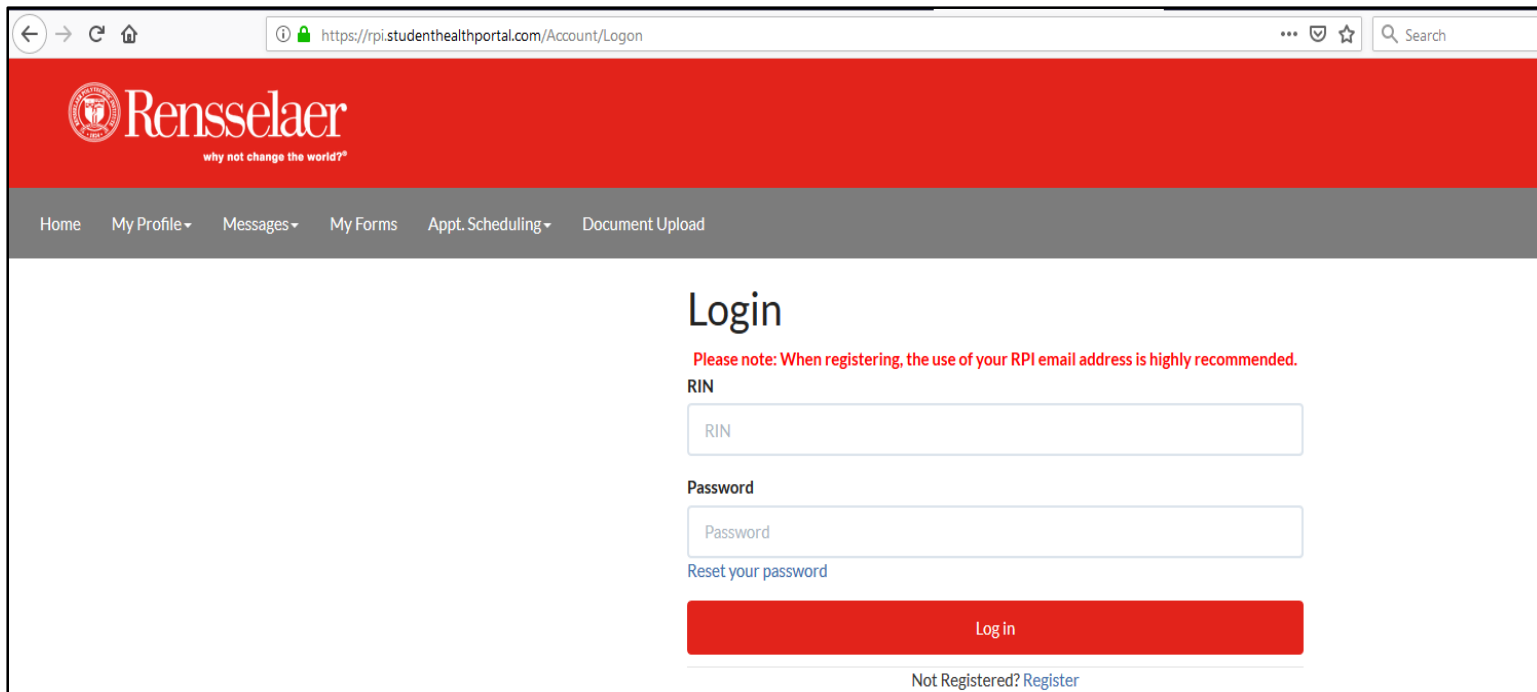

1. Required Immunizations:

PLEASE SUBMIT DATES IN MM/DD/YYYY FORMAT

MMR (combined measles, mumps, rubella): - NYS Health Department Law <ul style="list-style-type: none"> • TWO doses required <u>after</u> 1st birthday and at least 28 days apart and after 01/01/1968 	Dose #1: ___/___/___ Dose #2: ___/___/___
MEASLES (if MMR not given) : <u>ONE</u> of the following is required— NYS Health Department Law	Dose #1: ___/___/___ Dose #2: ___/___/___

2. Register for the Health Portal and Complete Pending Forms

- Immunization History Form
- Notice of Privacy Practices Form
- Patient Information-Medical History Form
- Pre-entrance Tuberculosis Screening Form
- Local Contact Information Form (*submit after you know your spring address*)
- Health Insurance Waiver/Enrollment Form – complete and submit no later than February 1st. If you are waiving, use the “Document Upload” feature of the Health Portal to upload a copy of your insurance card.

The screenshot shows a web browser window with the URL <https://rpi.studenthealthportal.com/Account/Logon>. The page features the Rensselaer logo and the tagline "why not change the world?". A navigation bar includes links for Home, My Profile, Messages, My Forms, Appt. Scheduling, and Document Upload. The main content area is titled "Login" and includes a red note: "Please note: When registering, the use of your RPI email address is highly recommended." Below this are input fields for "RIN" and "Password", a "Reset your password" link, and a red "Log in" button. At the bottom, there is a link for "Not Registered? Register".

3. On-line Education Programs (first-year and transfer students ONLY)

- AlcoholEdu
- Sexual Assault Prevention for Undergraduates

- An invitation to the course site will be sent to the student RPI.edu email accounts in January.
 - Part 1 due by January 29th
 - Part 2 (active after 30-day intermission) due by February 29th
- These course include RPI specific information, therefore there is no exemption if you completed them at another institution.

Final Reminders

- The Health Center will offers immunization and tuberculosis testing for all students who need vaccines or tuberculosis tests (fees charged to the student insurance plan if you enroll *OR* to your student account)
- Insurance waivers must be submitted by February 1st (*you will do this enrollment/waiver process again next fall and then every fall semester for each full academic year*)
- Wait and submit your *Local Contact Information Form* until after you know your campus/local address
- Graduate students **do not** complete the on-line education programs
- Physical Exams are only required of **Varsity Athletes**
