Rensselaer Faculty and Staff Workshop: Disability Services for Students and Academic Accommodations at Rensselaer

Compliance with the Americans with Disabilities Act is an institutional responsibility. Rensselaer faculty and staff are obligated to comply with state and federal laws that prohibit discrimination against students with disabilities. This interactive workshop will review the process students must undergo to obtain disability-related accommodations at Rensselaer. We will also discuss both faculty and student responsibilities with respect to academic accommodations. Participants will leave with a more thorough understanding of how students get approved for academic accommodations and how they can assist with ensuring all students have equal access in the classroom. Time will be allotted at the end to address specific questions regarding current or past circumstances in providing accommodations.

This workshop will be held on Wednesday, February 8th from 12:00 pm – 1:00 pm in RU 3202 at the Rensselaer Union.

Jaqualyn Iardella (Disability Services) and Dr. Leslie Lawrence (Medical Director) will be teaming up to present this workshop.

Registration is required. Please [register](#) by Friday, Feb. 3rd. Space is limited.
