LEARNING NEWSFLASH

Innovative Strategies and Tools to Enrich Knowledge

In this Issue:

- Community Groups
- Registration Information

EDUCAUSE Community Groups

EDUCAUSE

EDUCAUSE Community Groups offer a way for you to collaborate and explore ideas on various Teaching and Learning topics in higher education. Some examples of the Teaching and Learning groups available include: games and learning, instructional technologies, microcredentials and badges, and learning space design.

Visit [EDUCAUSE Community Groups](#) for more information and to potentially become part of a new community.
