Faculty Training in AEFIS: Adding Additional Questions to Spring 2021 End of Term Survey

The Spring 2021 End of Term course evaluations will open to the students on **April 19, 2021** and will close on **May 4, 2021** with reports available to instructors on **June 1, 2021**. AEFIS will also be sending out email notifications on all of this information as well to all instructors that are flagged to be evaluated for end of term courses.

If there are any instructors that would like to add additional questions to their courses prior to the course survey opening, you will have between **April 5, 2021- April 18, 2021** to set them up in AEFIS. Below you will find a link to resources available as well as links to register for webinar sessions coming up if you would prefer to attend a live training.
