Rensselaer Teaching and Learning Video Tutorials Library Now Available

The Teaching and Learning Collaboratory (TLC) is happy to announce our Teaching and Learning Video Tutorials Library which is made up of some of the workshops and colloquium presentations that have been offered through the Teaching and Learning Collaboratory over the years. The library will continue to be updated as more workshops become available. The link can always be found in [RPInfo](#) under **Faculty and Staff Resources**. In addition, there is a direct link below available to access the library. Enjoy!
