LEARNING NEWSFLASH

Innovative Strategies and Tools to Enrich Knowledge

Suggestions on Making Assignments and Activities More Equitable

As I was reviewing some of the resources that come my way, I thought this article from the **Teaching Newsletter** offered by **THE CHRONICLE OF HIGHER EDUCATION** could be of interest. The subject of the article is **How to make your assignments and activities more equitable**. It is a quick read so be sure to take a look when you have some free time as I think you will find it offers some valuable insight.
