Discussion Group Tip – “Hatful of Quotes”

If you are looking for a tip on how to create more engaging discussions, consider using the **“Hatful of Quotes”** approach offered by a professor at Lamar University. The Association of College and University Educators (ACUE) has *The Student Lens* episodes. In the episode below, Madi, a student attending Lamar University, offers insight into this discussion approach. Be sure to watch, the video is a little over 2 minutes.
