Rensselaer Announcement: 2017 Teaching and Learning Colloquium – May, 16th 2017

The 2017 Teaching and Learning Colloquium will be held on Tuesday, May 16th beginning at 8:15 am until 5:00 pm. The theme for this year's colloquium is "**Learning Analytics: Role in Pedagogical Improvement**". Plenary speakers Alyssa Wise (New York University Steinhardt), Christopher Dede (Harvard University), and Ryan Baker (Teachers College Columbia University), will present on a range of topics from real time assessment in immersive learning environments to using educational data mining. There will be a panel discussion following the presentations. Lunch will be offered, with workshops in the afternoon and Happy Hour to brainstorm together.

The event is free and open to the faculty, staff, and graduate students of Rensselaer Polytechnic Institute. Be sure to register for the event. Registration closes on Monday, May 8th.
