LEARNING NEWSFLASH

Innovative Strategies and Tools to Enrich Knowledge

Best Practices for Dealing with Student Absences

One of the new training sessions this spring was focused on strategies for dealing with student absences. Through research and discussions with our faculty members on our Teaching and Learning Collaboratory Board this session was developed. Below is a link to the tip sheet on these practices. Hope you find it helpful.

Reminders:

- Visit the [Teaching and Learning Collaboratory Workshop](#) page for information on spring 2024 training sessions and to register.
- If you are unable to attend a workshop, all of the sessions are available in our [Teaching and Learning Collaboratory Video Tutorials Library](#) which can always be accessed directly from our [RPInfo](#) page.
