The Institute is located in the City of Troy in New York State. Troy is about twenty minutes by car from the city of Albany. Albany is about one hour from New York City by plane or 3 hours by bus, train or car.
Housing Options

To learn more about the availability of graduate housing contact Residence Life at (518) 276-6284, reslife.rpi.edu or Residence Life.

Employment Verification

Graduate students appointed to teaching assistantship or research assistantship positions at Rensselaer must complete the required the required Form I-9, Employment Eligibility Verification, in order to begin working. Please refer to your appointment letter for instructions on completing the Form I-9. The Form I-9 can be accessed from the following URL: https://secure.i9express.com/preauthenticated/LoginCaptcha.ascx?Employer=21010&Location=STUDENT

Please click on this link and complete the required information. During TA Training or Orientation (whichever you are required to attend first) registration you will need to make an appointment to show the required original identification documents. **Make sure you remember to bring the originals with you. Copies will not be accepted.**

For International Students Only: Rensselaer uses an online tax compliance system called GLACIER to help determine the appropriate taxation of payments to non-US citizens. Prior to your arrival on campus, you will be required to complete your profile in this system. Follow the instructions provided, print the documents it produces and bring them with you to TA Training or Orientation (whichever you are required to attend first). You will receive your user ID and temporary password to login to GLACIER soon.

For more information regarding student employment at Rensselaer please visit our Student Employment Website at http://finance.rpi.edu/update.do?catcenterkey=175.

RCS (Rensselaer Computing System) Account

You will use your RCS Account to access the campus network including email, printers, Internet, and RPI LMS (Learning Management System). Please note that Rensselaer uses your RCS for email and not personal email addresses for all communications and coursework. **Please attend to this immediately so that we can contact you with orientation and other programming information that you may need prior to arrival. We suggest you start checking your RCS email address as soon as you have it set up.**

Your RCS User ID will be the first five letters of your last name followed by the first letter of your first name; however, if this sequence is already in use, one or two digits will be assigned and your ID will look something like this:

Example: smithj58

To retrieve your RCS User ID and activate your RCS Account, go to the Voorhees Computing Center (VCC) and bring your Campus Access Card; or, email your request to consult@rpi.edu
including your full name and RIN. They will respond, providing a 16 digit PIN and instructions on retrieving your RCS User ID and temporary password.

TA Training Seminar – (ADMN 6800-01)

- All new TAs must attend the training program in its entirety.
- Previous experience at another university does not waive the training seminar requirement.
- Registration is required – one registration covers all sessions. There is no cost to register or attend. The TA Training Seminar appears on your transcript as a zero-credit required course, and receives a Satisfactory (S) or Unsatisfactory (U) grade.
- Please register for the course online through the SIS - (ADMN 6800, TA Training Seminar,). Once you have logged in you can find the course through the Class Search (Subject – Administrative Courses; Course Number – ADMN-6800-01) or through the Register Add/Drop page.
- PLEASE DO NOT REGISTER UNLESS YOU HAVE RECEIVED AN AWARD LETTER FROM YOUR DEPARTMENT CONFIRMING YOUR TEACHING ASSISTANTSHIP

Seminar Assignment - The Six-Minute Presentation

Prior to arriving for the training seminar, please draft a presentation using the following information as a guide.

Program Description

- The Wednesday session is conducted by the Archer Center for Student Leadership session and consists of two topics – the first is a preview of the presentation you will be giving on Thursday (please bring a copy and be ready to present an outline of your topic) and the second, a training session on classroom management.
- On Thursday you will give your talk to a subgroup of students – there are eight groups in total, with each having around 12 or 15 students. You will be in one of these groups. All of your fellow group members give their talk to the group and are welcomed to comment and offer constructive feedback to the others.

Topic Selection and Presentation Format

- Select a topic from an area of your discipline that would be understandable to a sophomore major.
- Develop your talk for a well-educated audience with no formal knowledge of your topic.
- We suggest the style of TED Talk, or Ted Ed video. Between five and six minutes. Samples:
  - [http://ed.ted.com/lessons/how-x-rays-see-through-your-skin-ge-wang](http://ed.ted.com/lessons/how-x-rays-see-through-your-skin-ge-wang) (RPI professor), (retrieved 7-23-15)
  - [Richard St. John's 8 Secrets of Success](http://www.ted.com/lessons/how-x-rays-see-through-your-skin-ge-wang) (retrieved 7-23-15)
Topic and Format, continued.

Your presentation should contain:

- Images to punctuate your message,
- **Minimal amount of printed text,**
- A well-rehearsed narrative,
- Enthusiasm for your topic.
- **Please avoid formulas and complex graphs;** use your narrative and images to convey your message.

Power Point or a similar software program works very well for this assignment. You are **not** expected to reproduce the technological or content level of an academic TEDTalk or TED Ed video, but rather use TED as a style guide.

A desktop computer will be provided for flash drives or internet, or you may bring your own laptop. Any questions please email me at dgornic@rpi.edu.

- **Online TA seminar component:** You are automatically registered for the online component once you have registered for ADMN6800. The course (including in-person and online components) receives a grade of “S” or “U” and is required. Failure to complete all assignments will result in a ‘hold’ on your account until completed.

The assessment will be waived for a grade of 26 or higher on the TOEFL Speaking section; please bring your TOEFL report to Tuesday check-in. (Note that previous TA experience at another university is not sufficient for waiving the assessment.) Returning students who are new TAs can arrange for the assessment in the summer. Please contact Brea Barthel, Language & Cultural Support Specialist, Center for Global Communication+Design at 518-276-3241 or barthb2@rpi.edu.
